Annual Report Shows New Peak

The alumni homecoming display in the library with maps and posters described the activities of Bryan graduates. Representative of the 124 foreign missionaries are Ralph '37 and Rebecca (Haeger '38) Toliver at the left below. At the right are Faith '61 and Everett '56 Boyce.

Since the current issue of Newsette carries a report of the activities of homecoming, this report will deal mainly with the matters of the annual business meeting.

At the Saturday noon luncheon, which was served buffet style in the Lionette, Dr. Mercer brought a report of the spiritual, academic, and financial affairs of the College. From this report it was obvious that the big need at Bryan now is more students. With accreditation in prospect, we should have no hesitation to invite young people to take advantage of Bryan's wholesome Christian training program at reasonable rates and in the traditional big family spirit.

As the matter was discussed in the business meeting, there was no doubt that we as alumni can do more to personally and collectively advertise the school to prospective students. Then it followed very logically that it would be practical to put our project money into the same program of advertising and general student procurement, which according to our present budget would amount to about $7,500. It was suggested that we might add to this $1,000 for our own alumni office expenses and make our goal $8,500, which is just a little more than we raised this year.

ALUMNI GIVING IN 1960 EXCEEDS ALL PREVIOUS RECORDS

With a few gifts still coming in for the endowment fund, alumni giving has continued to mount to a figure which nearly triples the previous year's effort, and is more than four times the amount given in any of the last five years. The previous record in one year was the $2,400 athletic field project.

General alumni endowment fund $6,134.87
Designated gifts (library, scholarships) 644.89
Total gifts to alumni office 6,779.76
Alumni gifts to college office 1,634.00
Total alumni giving $8,413.76

Margaret Ann McKinnon x'41, Talakag, Bukidnon, Philippines

"Vacation days, May days, very long ago, no? Interesting days, sight-seeing daze, visiting with neighboring missionaries, the Robert Evans in Baroy, Lanao, and then with a farmer Bethany teacher and her husband and little son in the Moslem home of her father-in-law in Dansalan, Lanao. Back to Talakag to catch up on Bethany news, give a few DPT injections, to check on treatment for a few of the outside patients, then pack a change of clothes and set out for the wilds of Bukidnon beyond Malaybalay with Miss Helen Bailey, to visit her stations among the Manobo people. The most thrilling experience of the three-week period was meeting and conversing with two young Marano men, believers, pastors of little Baptist churches. . . . Sprained my ankle two weeks ago."

Naomi (Hildebrand '55) and Roger Walkwitz, Banaue, Ifugao, Mountain Province, Philippines.

"Roman Catholic opposition to our Released-Time Religious instruction in the public school has been increasing. All of the teaching is now being done by the students in our Ifugao Biblical Institute, and apparently they fear the potential in this. . . ."

"Our boys are growing up all too fast. Raymond is 27 months, and Randall is 10 months. They're lots of work, but I enjoy it. . . ."

Roger Bacon '50, Niamey, Republique du Niger.

"We had a nice vacation this year at Jos, Nigeria, and had the joy of fellowship with the Ian Hay's '50 on several occasions. It was the first time we had seen each other since graduation day, 1950. We also saw Mildred Mosby x'53 while there."

Mildred Mosby x'53, Titcombe College, Egbe Victoria, Nigeria, West Africa.

"In less than one month Nigeria will take her place among the independent nations of the world. It will be a time for rejoicing, but it will also be a time when Nigerian leaders will feel, more than ever, the responsibility of leadership. . . ."

"Our school term seems to be going along well. . . . We see spiritual growth in the lives of many of our boys. . . . We believe it is truly a miracle that one of our students who was bitten by a viper just recently is back in school completely well after being near death for two weeks."
